

God's Love

Jesus Christ is the Way, the Truth and the Life

Ben Mondriaan

God's Love

**Jesus says :
I am the Way, the Truth and the Life !**

My name is Ben Mondriaan and I wrote this book because Jesus Christ the Son of God intervened in my life and He saved my life.

This book contains texts I have written about God and His Son Jesus Christ and that whoever believes in Him and accepts Him as Savior and Lord will have eternal Life.

If you want nothing more than to experience God's Love and listen to His words, this book will be very good to read every now and then.

My life was a mess at first, but God pulled me out and healed me and made me completely happy.

God's Way is just and loving.
Whoever walks on it never gets lost and will not stumble.

There is no one in all the universe more faithful to the Father than Jesus Christ. There is also no one in the entire universe who has suffered more than Jesus. His name is the Most High Name and He will be exalted by the Father forever.

Jesus has been given all rights and power because He always does everything the Father asks Him to do.

For a christian, prayer should be as normal and natural as breathing. You can talk to Jesus whenever you want.

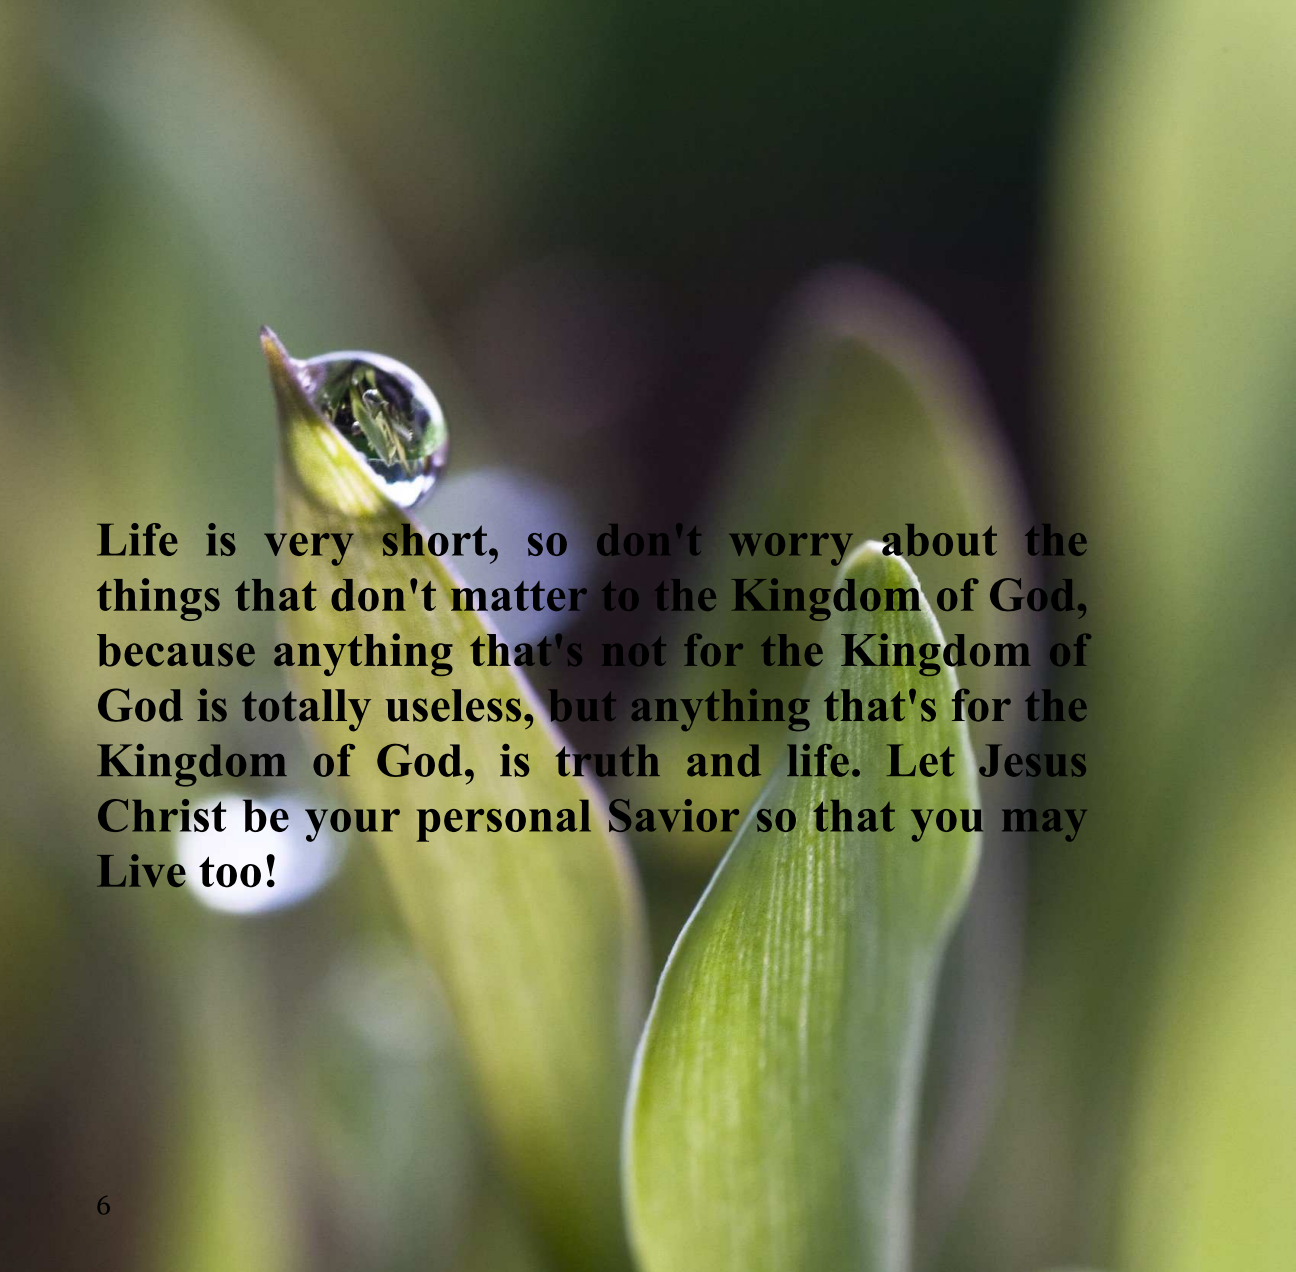

**Get blessings on your life from the Most High by repeating to yourself as much as possible:
JESUS CHRIST IS FAITHFUL FOREVER!**

Anything that is not for the Kingdom of God is sin.

There is only one who loves God completely and that is Jesus Christ. He ALWAYS does the will of the Father.

There is only one that can save you, that is Jesus Christ.

God is the most high forever and His name is the most high name.

Life is very short, so don't worry about the things that don't matter to the Kingdom of God, because anything that's not for the Kingdom of God is totally useless, but anything that's for the Kingdom of God, is truth and life. Let Jesus Christ be your personal Savior so that you may Live too!

In every situation, try to consult with Jesus about what to do, even in the smallest things. Ask Jesus if something is wise or not, to help you in any situation, important or unimportant.

Involve Jesus in everything you do and try to meditate as much as possible on the best and most sensible thing to do. The more you do this, the better your relationship with Jesus will be.

Be your best in Jesus Christ every day.

Be unbeatable by the Holy Spirit, give God all the glory in everything you do!

As a christian, you should always weigh every thought you have and ask yourself if Jesus would do it that way.

You can go along with thoughts or ideas so easily, so always be very critical of any thought you have!

Don't tell people what you think is best to tell about the Kingdom of God, or what sounds best with beautiful words, but ask Jesus what to say every day!

**The highest thing you can do as a human being
is to worship God and give Him all the glory in
everything you do.**

Don't worry because God has a plan for your life! Are you in a difficult situation in terms of relationship, money or family? Do not worry at all! Have you been praying for something all the time and are you not getting an answer? Then don't worry, because God, who has all power, will always intervene when necessary. He will give you the things that are good for you. Sometimes nothing seems to work, but God has a plan for your life, which is the very best plan you can get, which is for eternity! So don't be put off, because God is always in control of everything in your life.

Trust in Jesus Christ in bad times as much as in good times. Your trust in Jesus should not depend on the situation you are in.

Trust in Jesus in everything, every moment, every day, no matter how difficult it may be. He never abandons you. Impossible!

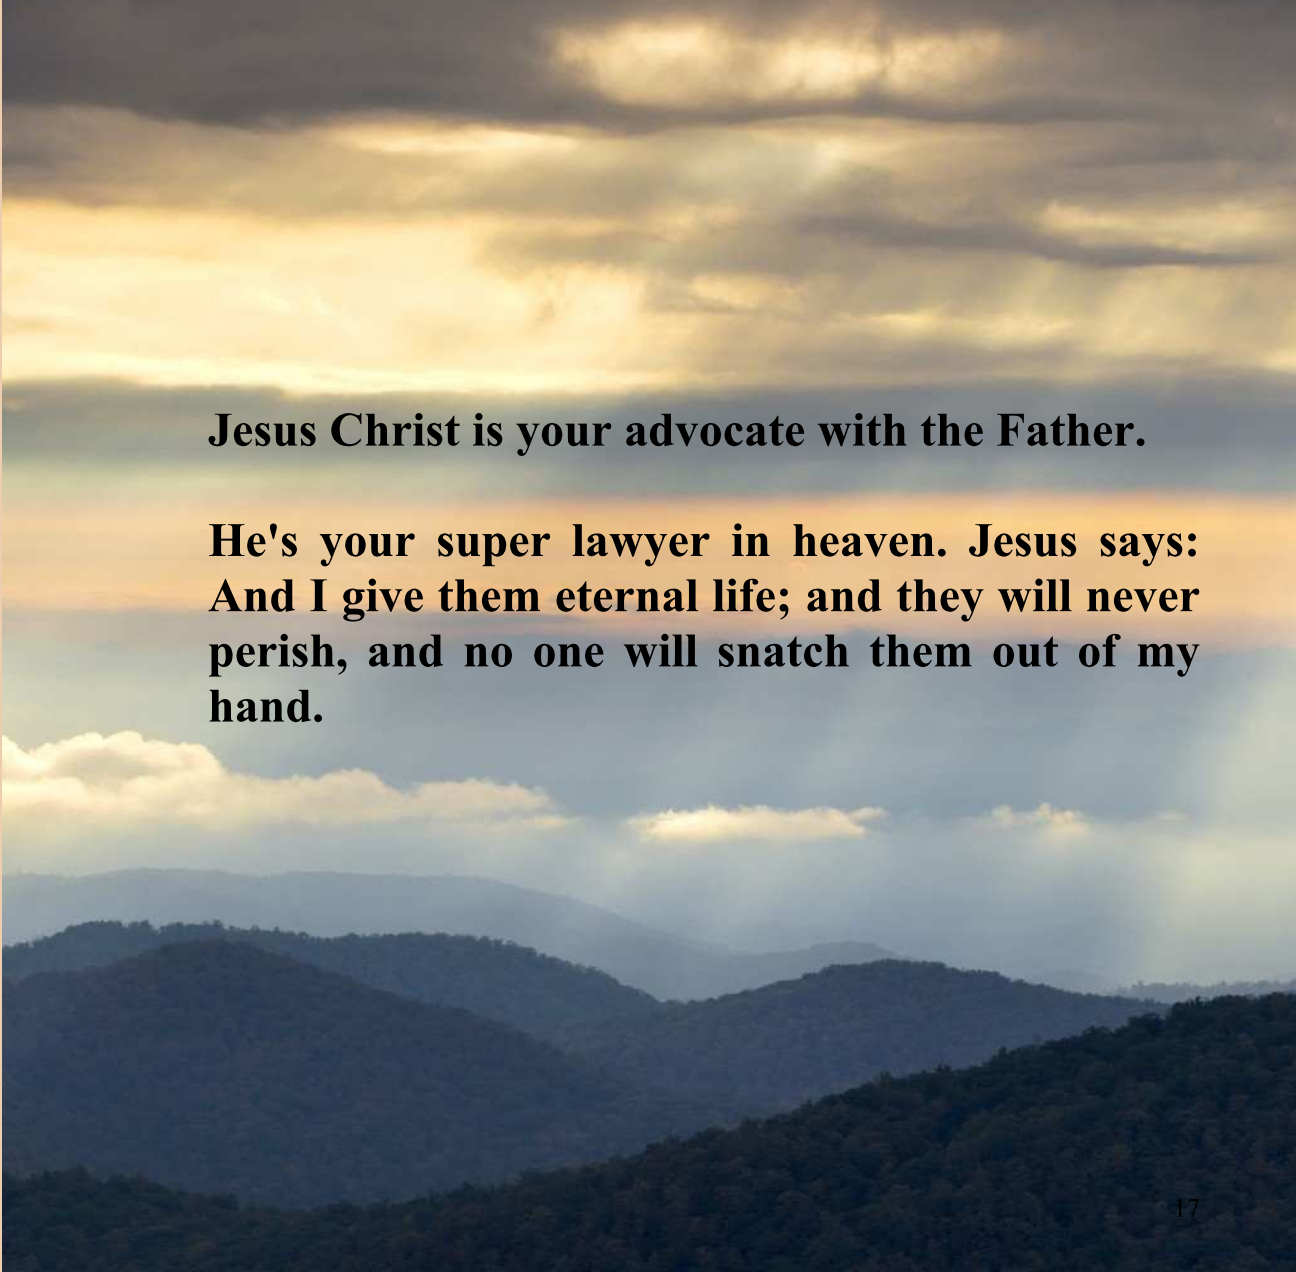

Can God choose not to be loving anymore? You can compare it to a person who chooses not to breathe anymore. Just give it a try. Sooner or later you will start breathing again. God is love.

Do we have our free will in everything? Think of it this way: God gives you the colored pencils, but you determine the drawing. You can draw a smiling face, or a sad face, or an angry face.

Everyone is just busy with becoming happy themselves, so much so that if you don't succeed it will make you unhappy.

The solution is: Stop seeking happiness and only try to please God.

In other words, don't seek yourself and your own life, but seek the Father.

Jesus Christ is your advocate with the Father.

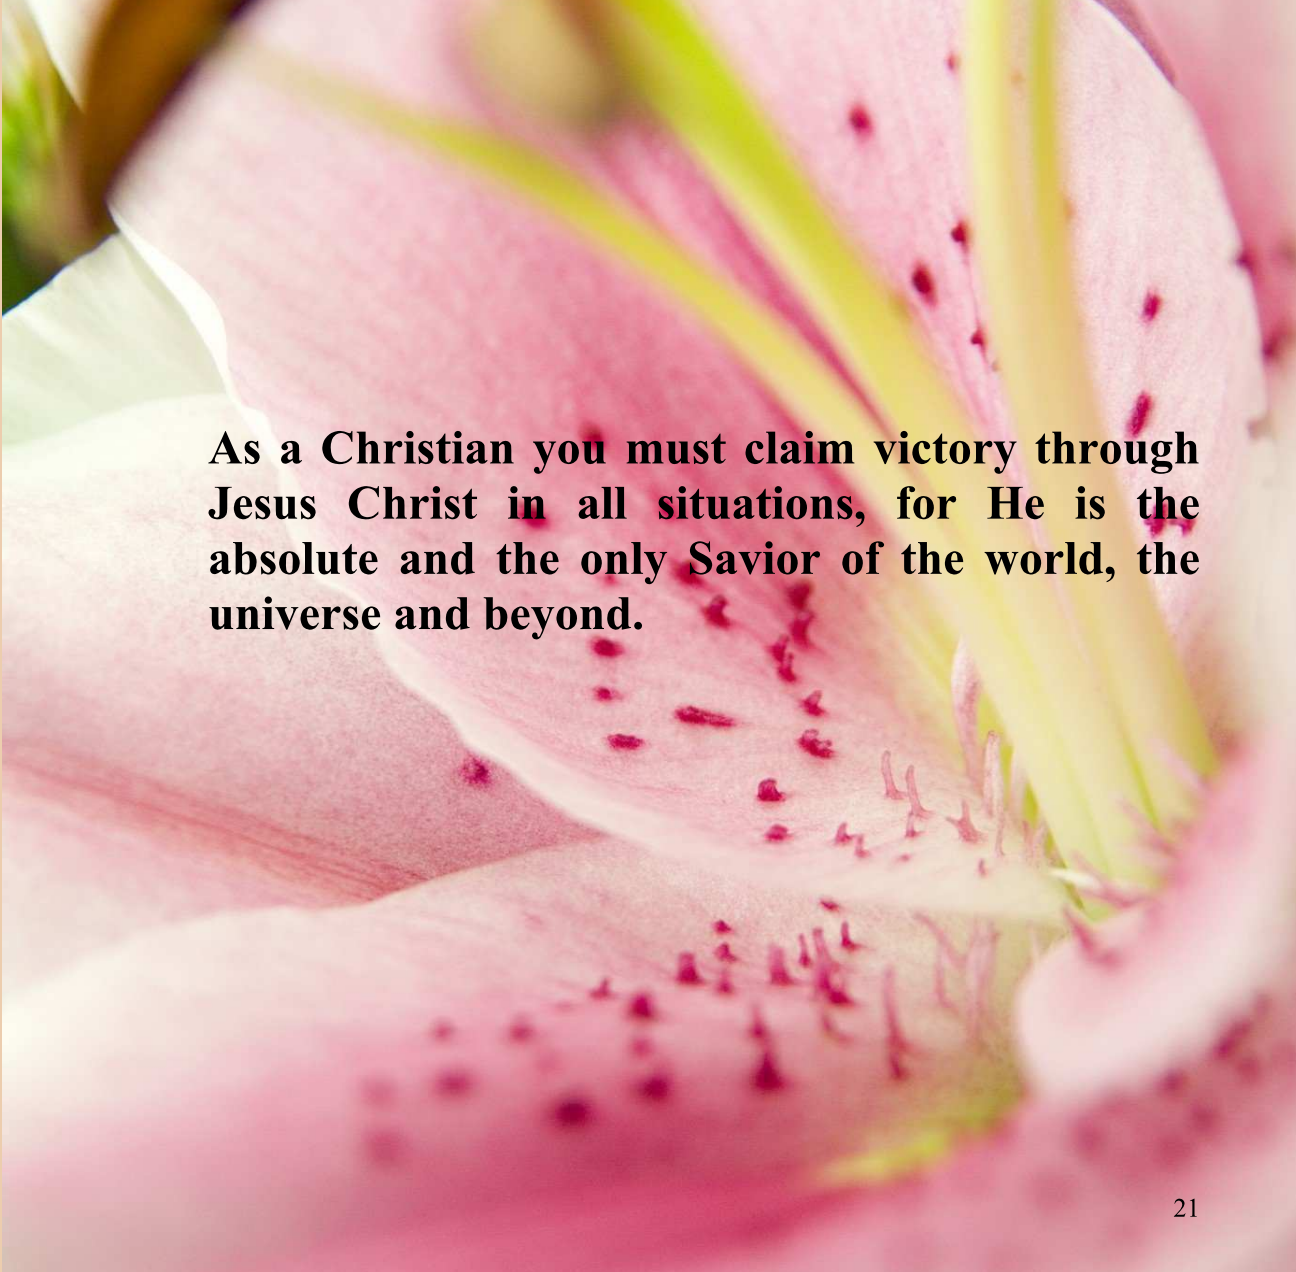

**He's your super lawyer in heaven. Jesus says:
And I give them eternal life; and they will never
perish, and no one will snatch them out of my
hand.**

**The Father has everything in His hands.
Rejoice in all things. Don't you know it has to be
done? The universe is running the development
program of God's Love and development. All things
are in the hands of the Father. Satan has never been
able to change anything about His plan.**

**God is Almighty and King over all. It is impossible for
you to be harmed without the Father's permission.
Satan always wants to make you feel that God is not
in control of everything. Defeat him saying, Thy
kingdom come, thy will be done.**

Satan is always extremely fanatical when it comes to thwarting God's plan, but don't worry as it is a laughable attempt to oppose God's plan because satan lost his battle in heaven, he lost his battle when Jesus Christ died on the cross for our sins and he will lose when Jesus Christ returns the second time. In short: God always wins. When you accept Jesus Christ as your personal Savior, you always win, because you already have the victory in your possession, and that is Jesus Christ.

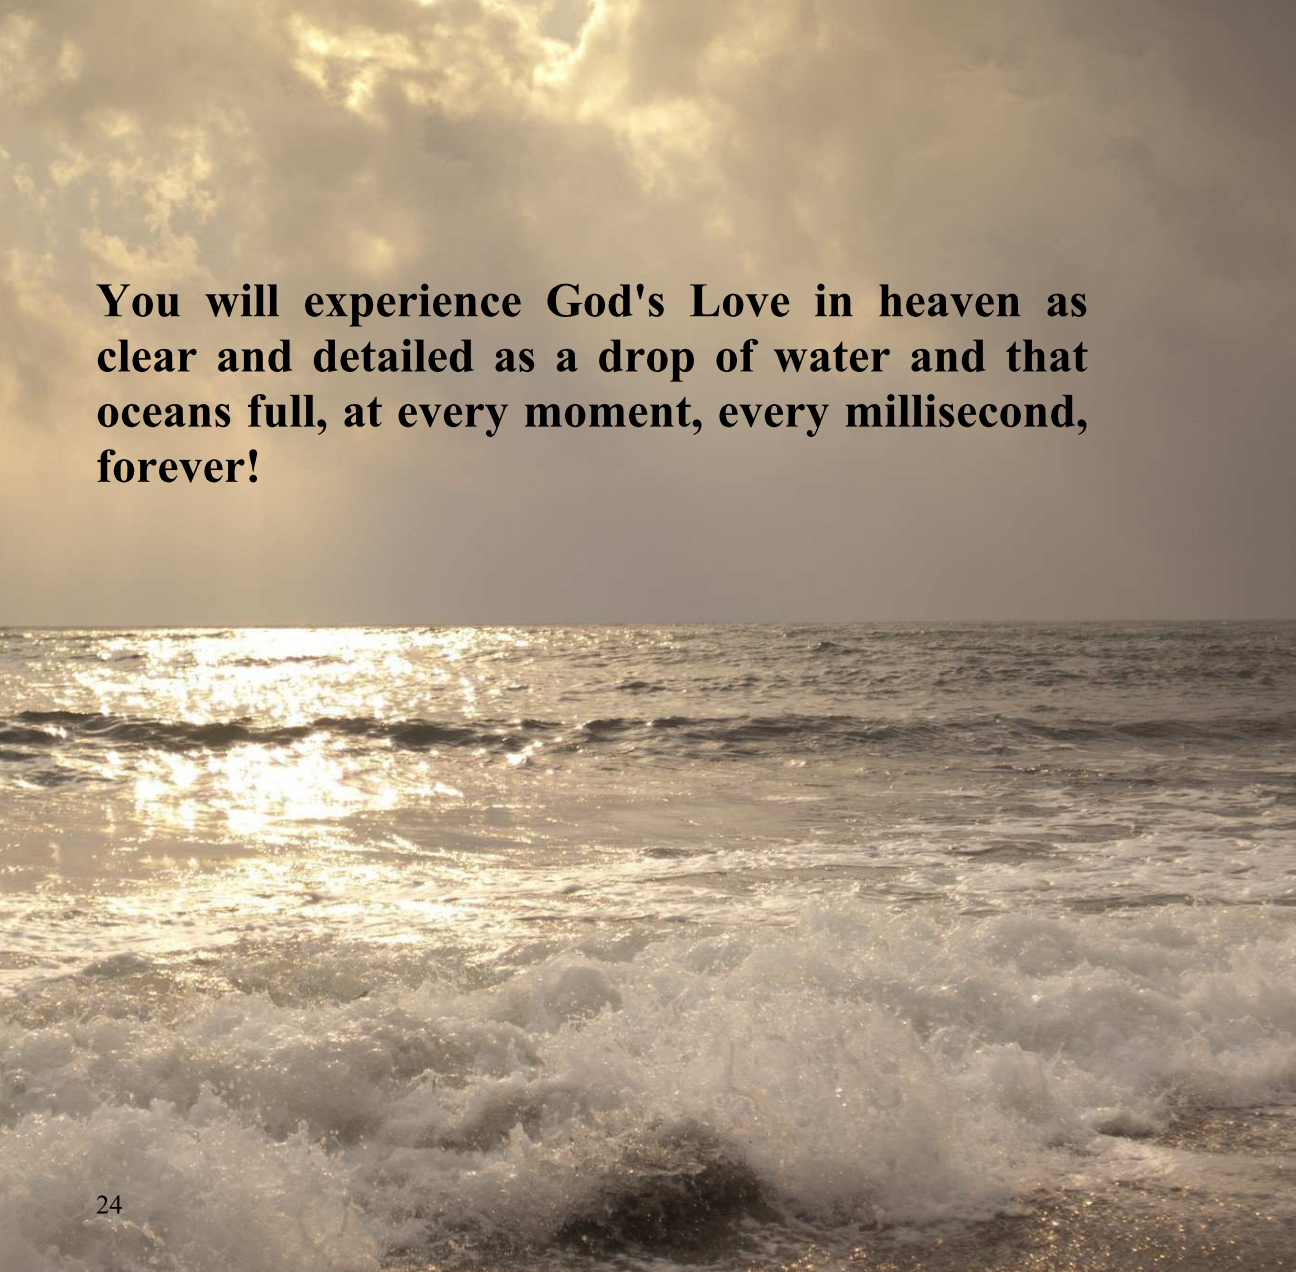

**We do not need more information about Jesus,
but rather more relationship with Jesus.**

As a Christian you must claim victory through Jesus Christ in all situations, for He is the absolute and the only Savior of the world, the universe and beyond.

As long as you do things for the Kingdom of God, time will never be lost and you have always spent your time well.

Every second you get closer to eternity and you cannot turn back time. You only live this life once and eternity remains eternal and you can no longer count the seconds. What an incomprehensible love that we may then be saved, that we are given a little time to be allowed to accept Jesus Christ as a personal Savior and Redeemer in this world! When you are saved through Jesus Christ, then you will truly live and become who you really are in Christ, as you were meant to be, forever!

You will experience God's Love in heaven as clear and detailed as a drop of water and that oceans full, at every moment, every millisecond, forever!

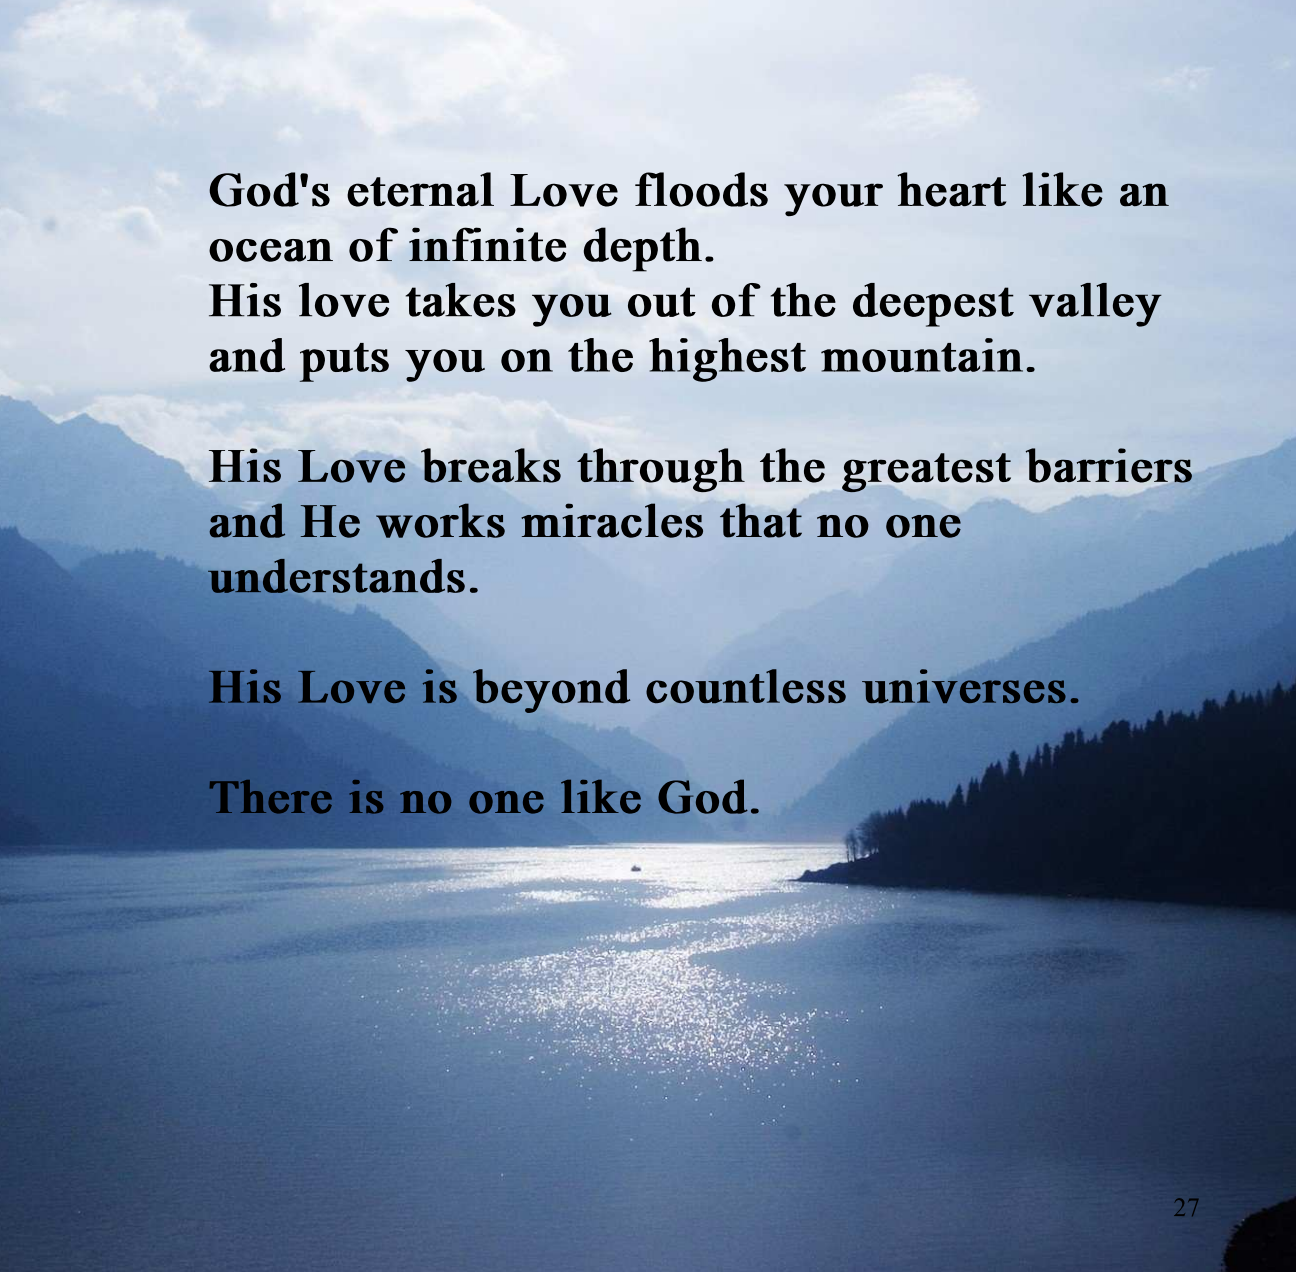

Each time I am amazed how God changes and resolves situations. When it seems that there is no way out, God always sees a way out and if not, He makes a way out.

Sometimes you have to be patient, but God sets the time and is never too late and always on time.

Be in complete peace, for God is closer to you than you are to yourself.

Be careful not to lose the basis in trusting the Father, because then Satan will do what he wants with you.

Evil is like slime, once it gets on you, it drips through until you are completely covered.

God's eternal Love floods your heart like an ocean of infinite depth.

His love takes you out of the deepest valley and puts you on the highest mountain.

His Love breaks through the greatest barriers and He works miracles that no one understands.

His Love is beyond countless universes.

There is no one like God.

You are the telephone that God needs as a source of energy to operate and through the Father you can call the whole world. The Power of the Father is in all things and leads to all things. Without Him, your phone is dead and off. As with your phone, you should update programs regularly. You never know what new functions God has come up with for you.

As long as you are on the phone with God, Satan cannot call in between.

It's like a phone line that's busy. It is your own fault and responsibility if you speak too little with the Father.

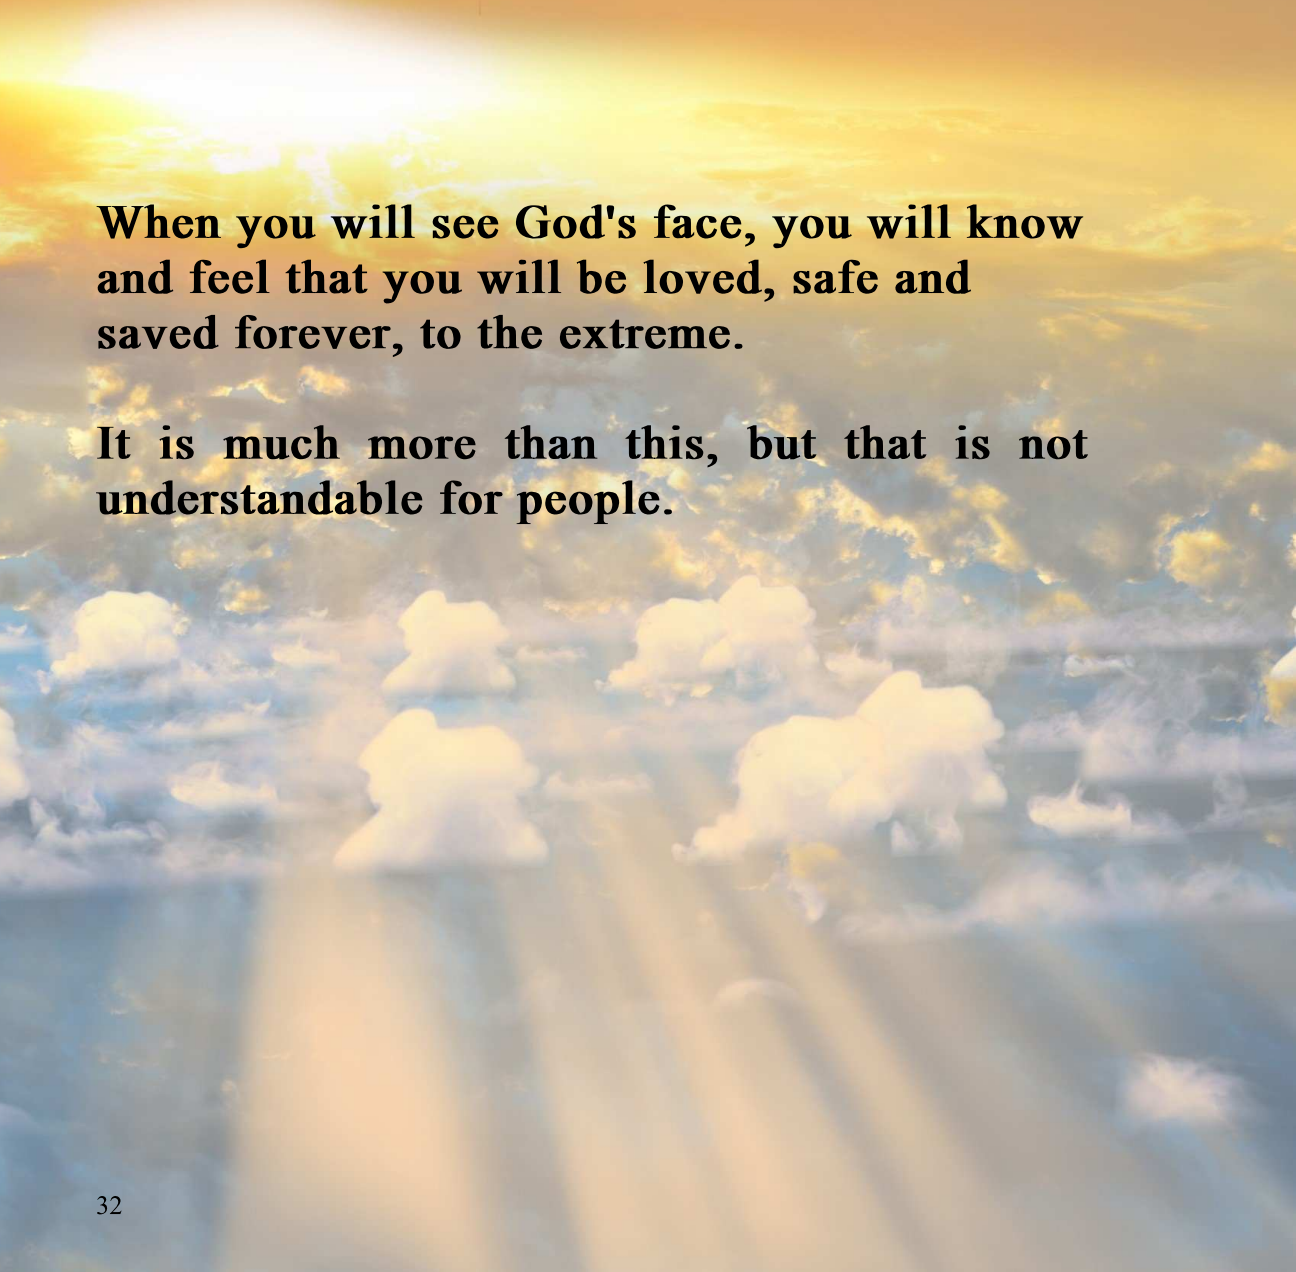

Never give up your faith and trust in Jesus Christ! Everything is a test and whoever persists will also see that everything falls into place. Your character and who you are are also shaped by the Almighty for eternity.

This life is a big dream compared to what comes next. We are tested for eternity, because we are tested to see if we are reliable. Are you useful for God's Kingdom or not?

Satan's greatest weapon against us is our own emotions. You cannot do this life a second time and God does not accept sin in heaven.

We have done nothing and cannot do anything to earn God's Love and forgiveness.

From His eternal and great grace and unconditional Love for us, God accepts us as we are through Jesus Christ.

**When you will see God's face, you will know
and feel that you will be loved, safe and
saved forever, to the extreme.**

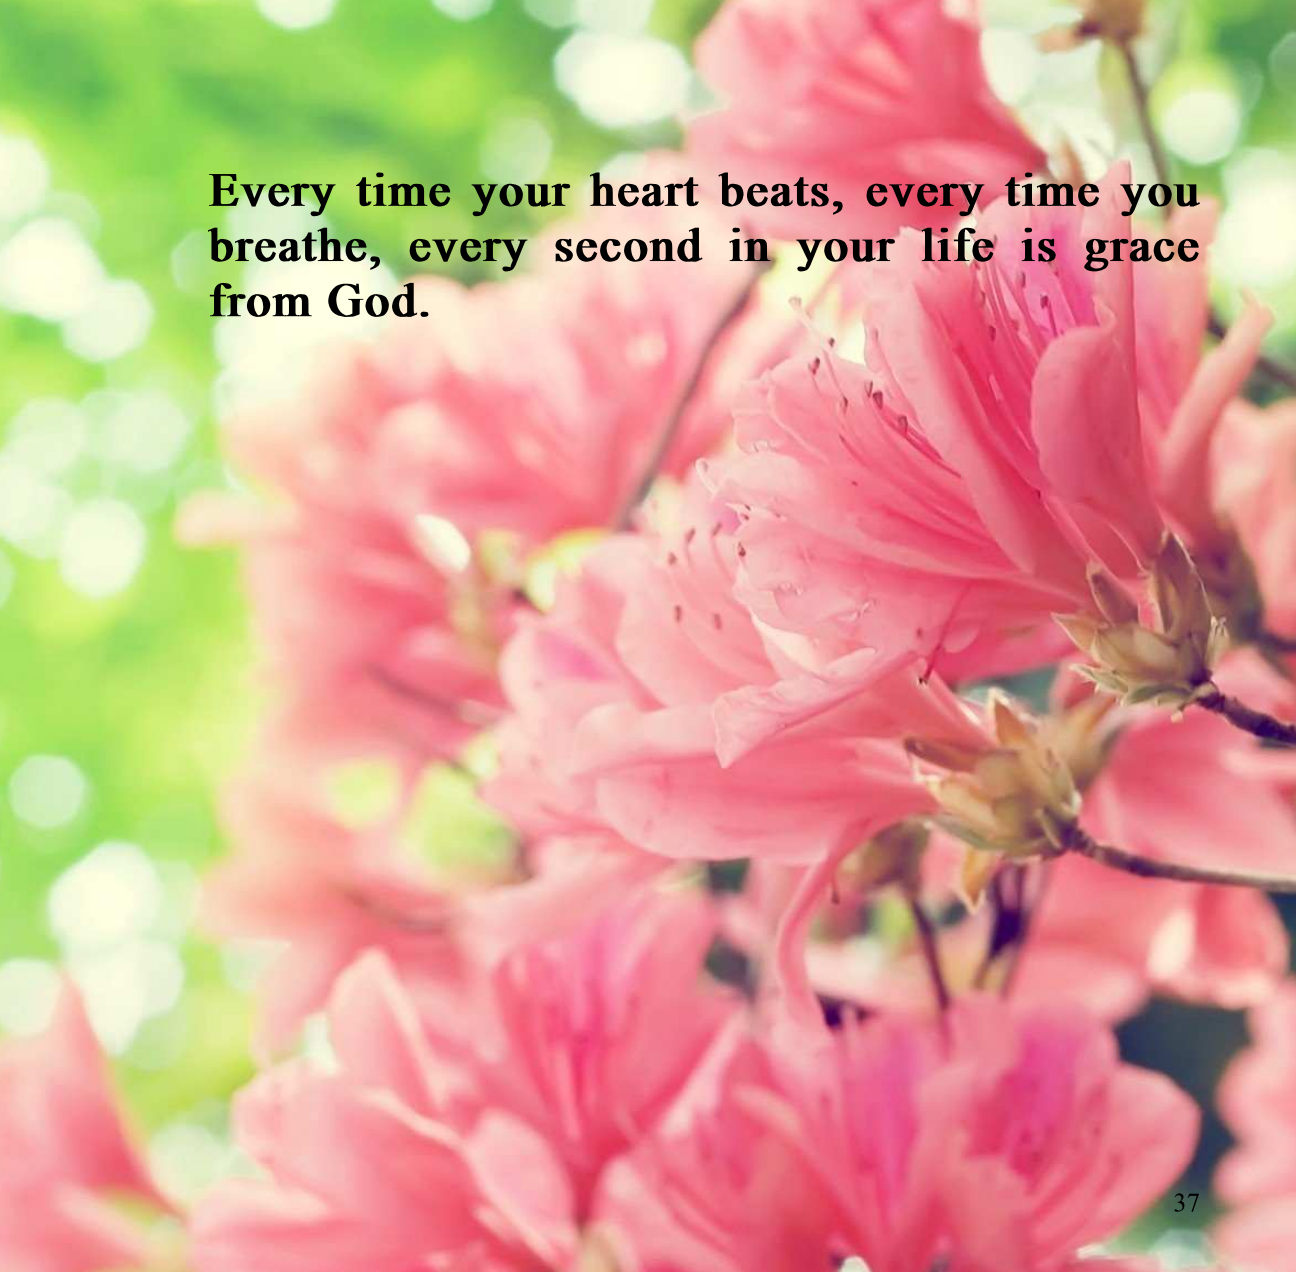

**It is much more than this, but that is not
understandable for people.**

The more trustworthy you are to God, the more He will entrust you. The more you know and receive from God, the greater your responsibility, but the more you know, the more humble you become. Fortunately, Jesus came to earth to die for our sins and that we can accept Him as our personal Savior and understand a little about who the Almighty is.

You live in reality only when you accept Jesus Christ as your personal Savior. In short: do you live without Jesus? Then you never lived! Then you just don't exist. "I am the Way and the Truth and the Life," Jesus answers. Our reality is not real. With God is the real reality.

If you worry as a christian, which is very human, it is actually arrogant because God knows exactly what He is doing and will never give you anything you cannot handle.

The Holy Spirit is an invisible Power that carries out the Father's thoughts. The Holy Spirit is like a magnet of God's thoughts. The Holy Spirit is like gravity in the Kingdom of God.

A close-up photograph of pink azalea flowers. The flowers are in various stages of bloom, with some showing prominent stamens. The background is a soft, out-of-focus green with white bokeh circles, suggesting sunlight filtering through leaves. The text is overlaid in the upper left quadrant.

Every time your heart beats, every time you breathe, every second in your life is grace from God.

We are trapped in time, like a clock that keeps ticking suddenly stops, then eternity comes.

Only Jesus Christ can save you. Eternity lasts longer than you think.

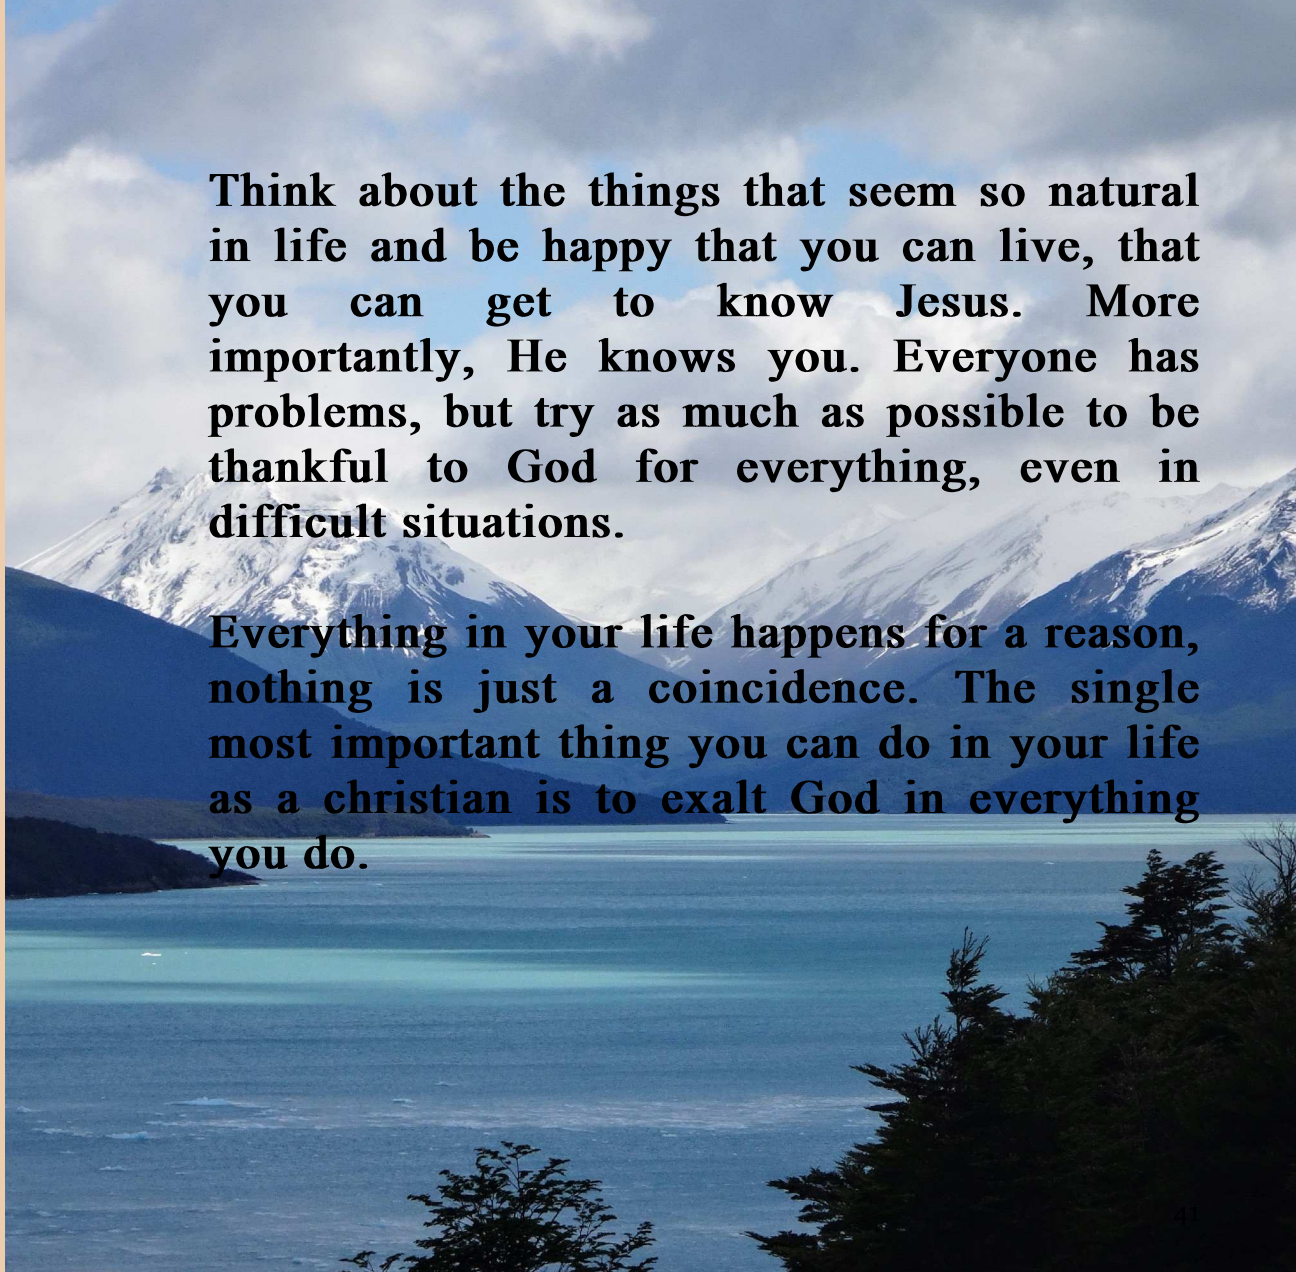

Does God care about a minor sin as much as when you commit a major sin?

Imagine that you are wearing a white t-shirt and you get a big stain on it, of course you take off your t-shirt, and imagine you get a small stain on your white t-shirt, then you still take it off, because you keep seeing it!

So it is with sin in God's eyes.

**Whenever you feel negative in your head,
say this:**

**Satan get away from me, for my Heavenly
Father is able to do all things.**

Think about the things that seem so natural in life and be happy that you can live, that you can get to know Jesus. More importantly, He knows you. Everyone has problems, but try as much as possible to be thankful to God for everything, even in difficult situations.

Everything in your life happens for a reason, nothing is just a coincidence. The single most important thing you can do in your life as a christian is to exalt God in everything you do.

Satan will give you everything if he gets you where he wants you, which ultimately leads to destruction.

He gives you a nicely wrapped candy with a bow around it, as it were, the candy looks delicious, but inside the candy is deadly poison.

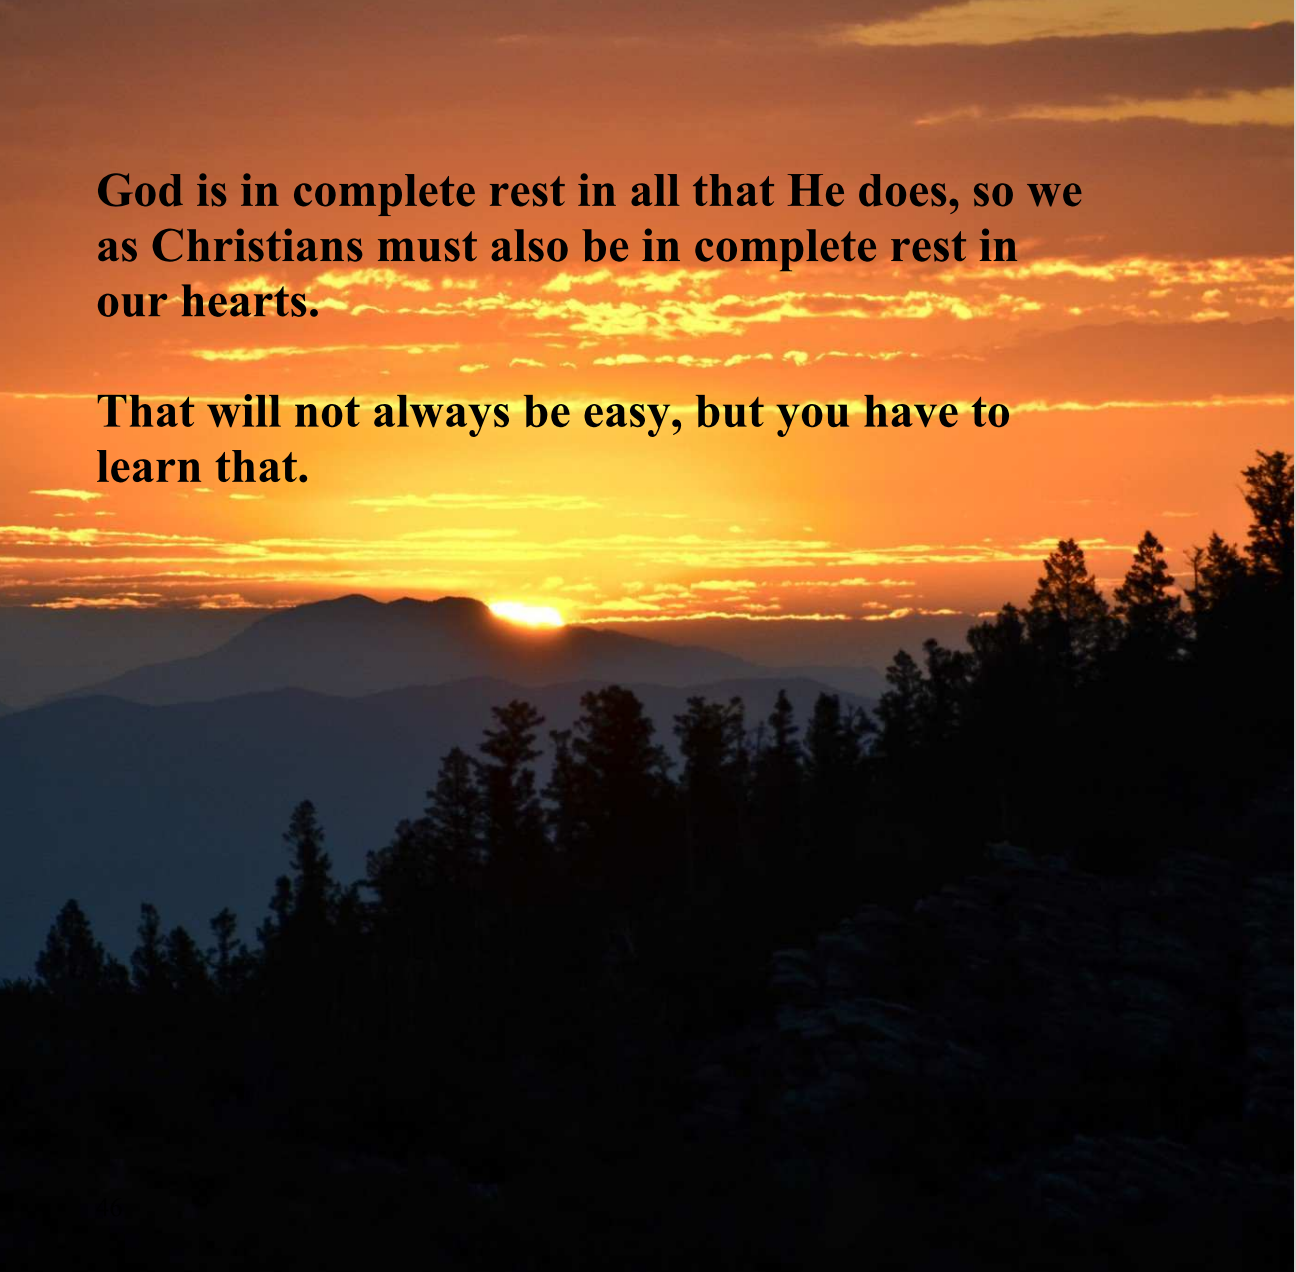

**God is the greatest buyer of all,
for He bought us and paid for us with the
Blood of His Son Jesus Christ.**

If you cannot accomplish something, take it to the Father and ask the Father to become more and more like Jesus.

When you pray and you ask God something, also say: not my will, but Your will be done.

God is the center of the circle, because in that circle there is also a circle, in that circle again a circle, and that goes on indefinitely.

God is infinitely powerful.

God is in complete rest in all that He does, so we as Christians must also be in complete rest in our hearts.

That will not always be easy, but you have to learn that.

You can compare the second return of Jesus Christ with a package that you ordered, but do not know exactly when the package will arrive and one day suddenly the package is on your doormat.

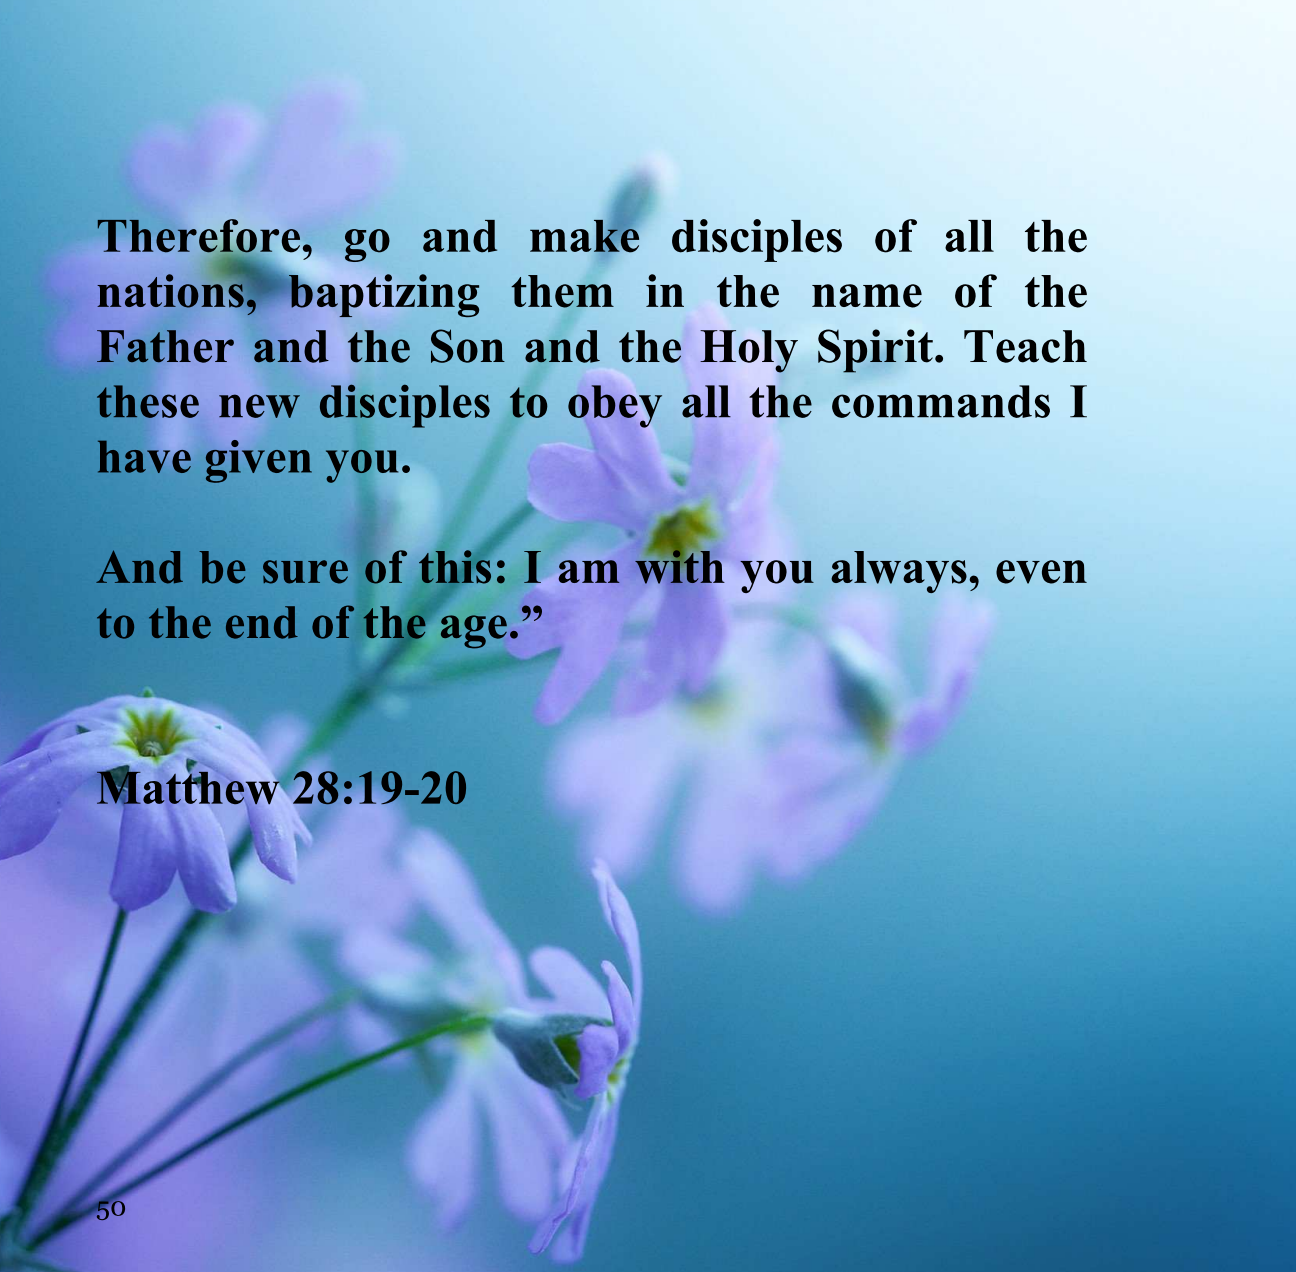

Everyone knows what an atomic bomb is and its effect, but when you say the phrase "All glory be to the Lamb", those words have the power of a billion atomic bombs.

There is nothing more powerful to say than that.

Do you want to learn how to better understand God's voice?

- 1. Read the Bible.**
- 2. Be faithful to the words of Jesus to the utmost.**
- 3. Have a deep love for Jesus and God, keeping your body and your mind as clean as possible, that means: Do not lie, give God all the glory, pray to the Father as Jesus taught you, love your fellow man.**

This is not a guarantee, because the Father himself determines with whom He speaks.

The background of the slide features a soft-focus image of several purple flowers with yellow centers, set against a light blue gradient. The flowers are in various stages of bloom, with some in sharp focus in the foreground and others blurred in the background.

Therefore, go and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit. Teach these new disciples to obey all the commands I have given you.

And be sure of this: I am with you always, even to the end of the age.”

Matthew 28:19-20

God's Love

There is only One Way to eternal Life and to return to God, and that is through Jesus Christ, who died for our sins. There is no greater Love than His.

This book contains texts about faith and about God's Love and justice that are available to everyone who is open to it. Whatever situation you are in, God always has a solution for you.

We all have our own mistakes, and our life here on earth is short. We have no certainty whether we will live long or short. Ultimately, every person is uncertain about his life and future.

But whoever accepts Jesus Christ as Savior and Lord need no longer be insecure, for eternal Life is promised to those who accept the Lord in his life.
